Service Point

REACH THE NEW GARAGE SERVICE NETWORK

Meritor Service Point signage expresses your fidelity to Meritor branded products which brings you extremely interesting promotions and special technical helpline directly with Meritor experts.

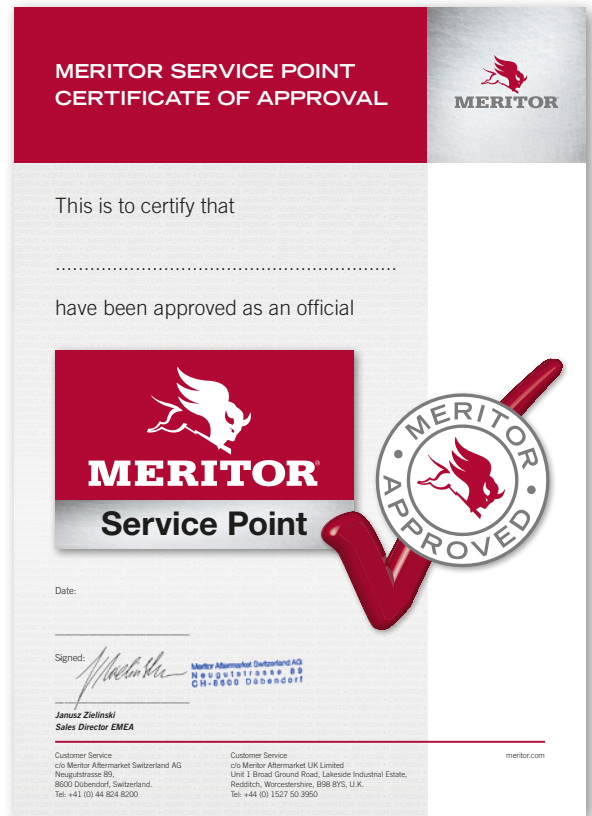

How does it work?

The best garages which are servicing vehicles with Meritor and Trucktechnic spare parts get a Meritor Service Point signage to display at their premises. How to know if you are one of the lucky service points? Please talk to your Meritor parts distributor to learn more about the conditions you need to fulfil once you are an official Meritor service point.

WELCOME PACK AND MORE..

If you are selected as an official Meritor Service Point, you will get an official certificate describing your new status, as well as an official panel that you will hang at the door of your workshop.

...together with a special welcome package that includes the following:

- Meritor caps
- Meritor mugs
- Meritor pens
- Meritor key rings
- Meritor flags

(items subject to change)

SUPPORT

Meritor will also schedule a special technical training session with each garage and will also provide literature such as catalogues, brochures and technical information. Garages will also be given access to...
