

# MERITOR® OE CONTINUOUS WEAR SENSORS

Meritor a worldwide Brake leader in the commercial vehicle industry, supplying brake products including Continuous Wear Sensors as Original Equipment and into the Aftermarket.

- OE genuine Continuous Wear Sensors
- OE genuine quality
- Quality components
- OE genuine Continuous Wear Sensor performance

As a supplier of Original Equipment Braking systems to major truck and bus manufacturers, Meritor understands what it takes to design and build Continuous Wear Sensors to the highest standards.

Meritor use this knowledge and experience to give you exceptional quality components.

Precision parts, assembled in control environment, ensuring correct brake function and performance.

Meritor's product range, including Continuous Wear Sensors enable you to carry out cost effective servicing throughout a vehicles life.

Meritor is the quality brand for commercial vehicles; supplying parts on which you can rely.

## PRODUCT NEWS

### Part Number Supersession

Customer update : 11 new part numbers supersede old part numbers, as per table below.

Please update your systems.

| NEW PART NUMBER | OLD PART NUMBER | DESCRIPTION                                   |
|-----------------|-----------------|-----------------------------------------------|
| 68326687        | 68326512        | Continuous Wear Sensor - Length = 1350mm Tyco |
| 68326688        | 68326513        | Continuous Wear Sensor - Length = 1750mm Tyco |
| 68326689        | 68326514        | Continuous Wear Sensor - Length = 1200mm Tyco |
| 68326692        | 68326517        | Continuous Wear Sensor - Length = 1600mm Tyco |
| 68326693        | 68326518        | Continuous Wear Sensor - Length = 1850mm Tyco |
| 68326694        | 68326519        | Continuous Wear Sensor - Length = 1850mm Tyco |
| 68326698        | 68326523        | Continuous Wear Sensor - Length = 2200mm Tyco |
| 68326699        | 68326524        | Continuous Wear Sensor - Length = 2400mm Tyco |
| 68327005        | 68326911        | Continuous Wear Sensor - Length = 1300mm Tyco |
| 68327006        | 68326912        | Continuous Wear Sensor - Length = 2850mm Tyco |
| 68327007        | 68326913        | Continuous Wear Sensor - Length = 2650mm Tyco |

Below is selection of popular Continuous Wear Sensor part numbers.

Meritor have significant demand on these parts, make sure you have these popular Continuous Wear Sensor parts loaded to your system, stock is available to order.

| PART NUMBER | FAST MOVERS | DESCRIPTION                                    |
|-------------|-------------|------------------------------------------------|
| 68326729    | ✓           | Continuous Wear Sensor - Length = 1500mm       |
| 68326730    | ✓           | Continuous Wear Sensor - Length = 2600mm White |
| 68326731    | ✓           | Continuous Wear Sensor - Length = 2600mm Red   |
| 68326732    | ✓           | Continuous Wear Sensor - Length = 1560mm White |
| 68326733    | ✓           | Continuous Wear Sensor - Length = 1560mm Red   |
| 68326734    | ✓           | Continuous Wear Sensor - Length = 1850mm White |
| 68326735    | ✓           | Continuous Wear Sensor - Length = 1850mm Red   |
| 68326737    | ✓           | Continuous Wear Sensor - Length = 2300mm Red   |
| 68326742    | ✓           | Continuous Wear Sensor - Length = 1280mm       |
| 68326743    | ✓           | Continuous Wear Sensor - Length = 1280mm       |
| 68326745    | ✓           | Continuous Wear Sensor - Length = 3600mm       |
| 68326746    | ✓           | Continuous Wear Sensor - Length = 5200mm       |
