The screenshot shows the 'SUSPENSION IDENTIFICATION SELECTOR' interface. At the top left is the 'MERITOR PARTS XPRESS' logo. Below it is a navigation bar with 'Product Search', 'Visual Search', and 'Xact Search' dropdown menus. To the right are two search boxes: 'Part Number or Keyword Search' and 'Interchange # or VMRS Code Search'. The main heading is 'SUSPENSION IDENTIFICATION SELECTOR' in red. Below it is the instruction 'Select your truck or trailer application'. There are six selection options, each with an icon and a label: 'LINE HAUL TRACTOR' (tractor icon), 'LINE HAUL TRAILER' (trailer icon), 'DUMP TRUCKS' (dump truck icon, highlighted with a blue border), 'REFUSE TRUCKS' (garbage truck icon, highlighted with a blue border), 'CONCRETE TRUCKS' (concrete mixer truck icon, highlighted with a blue border), and 'VOCATIONAL TRAILERS' (trailer icon).
