

Meritor Cookie Policy

This website uses cookies which are stored in your browser. You can usually modify your browser settings to prevent this happening. However, by disabling cookies, or certain types of cookie, you may hinder your user experience on this, and other websites, or prevent them from working entirely.

Cookies used on this website allow the website to remember choices you make (such as your user name, language or the region you are in) and provide enhanced, more personal features.

These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customise. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites.

Please note that some cookies may be placed by third party service providers who perform some of these functions (or other services) for us.

By continuing to use this website and without adjusting your browser's cookie settings, you agree that we can place these cookies on your device.

As is true with most websites, our server will automatically log data regarding each visit, such as your IP address, browser type, referring/exit pages, and operating system. We may use this information to monitor server errors, server administration or to monitor visitor behaviour. It is not possible for this to be disabled on a per-user¹ basis, so you must leave this website (and the internet entirely) if you do not agree to this happening.

This policy applies to this website only and does not apply to any other websites that this website may link to.
